

An abstract painting featuring broad, expressive brushstrokes in shades of green and yellow. The composition is dominated by these two colors, with the green appearing on the left and bottom, and the yellow on the right and top. The strokes are thick and textured, creating a sense of movement and depth. The overall effect is one of organic, natural growth, which aligns with the quote about solutions growing from focus.

„Reden über Probleme
lässt Probleme wachsen.
Reden über Lösungen,
lässt die Lösungen wachsen.“

Steve de Shazer
